

## NOTICE

### ONLINE SUBMISSION OF ENGINEERING DESIGN & INNOVATION 1 (EDAI1) PROJECT IMAGES\_ VIDEO\_PPT 2022-23 SEM-1

Dear EDAI1 Project Group leaders,

You are instructed to upload a small video clip of your EDAI1 project. Shoot a small video clip in clear light conditions using your mobile camera at low resolution for this purpose.

- 1) The online submission of EDAI1 Project images and video must be done strictly by respective EDAI1 Project Group Leader... (Login through @vit.edu email account only)
- 2) The **video file** should not be of **less than 3 minutes** in length and not longer than 4 minutes. The **video file size should be less than 80 MB**. Use Apps available to reduce the size and edit the video file. Store the video file and images on your Google drive and upload from the drive so that the files will be quickly uploaded.
- 3) Introduction of group members, concept of your EDAI1 project, its importance, brief designing and results obtained from the EDAI1 and depicting the project in running condition etc. (Depicting the simulation, animation clip) could be the broad topics included in the video.
- 4) Also take **3 photos (images) JPEG** format of the EDAI1 project (model / simulation image) and upload them as well. project model, even screen showing simulation, Coding done, internal parts, arrangement of components, a few important parts of the model/ app/ webpage that you have designed etc. can be the topics for the photos. See that **every photo is of less than 1.5 MB** in size.
- 5) You have to upload EDAI1Project PPT which your group presented at its End Semester Assessment
- 6) Further you also have to upload DT1 PPT based on EDAI1 Project which your group presented at DT1 End Semester Assessment
